PURPOSE OF THE BILL

The purpose of H.R. 7119 is to convey land in Anchorage, Alaska, to the Alaska Native Tribal Health Consortium, and for other purposes.

BACKGROUND AND NEED FOR LEGISLATION

The Alaska Native Tribal Health Consortium (ANTHC) is a non-profit organization serving the health needs of Alaska Native and American Indian people living in Alaska. It is the largest tribal health organization in the United States, and it provides tribal healthcare services to thousands of patients in the south-central Alaska region under contracts with the Indian Health Service (IHS).

ANTHC provides comprehensive medical services at the Alaska Native Medical Center, wellness programs, disease research and prevention, rural provider training, rural water and sanitation systems construction, and health training and education.

H.R. 7119 will allow ANTHC to gain ownership over two parcels of land totaling 3.5 acres. The parcels are owned by the U.S. Department of Health and Human Services (HHS) and are currently being used by ANTHC for maintenance and storage. The legislation directs the Secretary of HHS to convey the Orca Point property in downtown Anchorage, by warranty deed, to ANTHC. ANTHC would like to improve the properties to better utilize them but needs to obtain the properties by warranty deed before making improvements, both to ensure ownership of any improvements and to obtain financing for any improvements. Transfer of the land will allow ANTHC to streamline its operations and build updates and refurbishments without reliance on the federal government.

Similar legislation has been passed by the House Natural Resources Committee¹ as well as by the full House of Representatives,² so this bill is not unprecedented.

COMMITTEE ACTION

H.R. 7119 was introduced on June 4, 2020, by Representative Don Young (R-AK). The bill was referred to the Committee on Natural Resources, and in addition to the Committee on Energy and Commerce. Within the Natural Resources Committee, the bill was referred to the Subcommittee for Indigenous Peoples of the United States. On July 22, 2020, the Subcommittee held a hearing on the bill. On July 29, 2020, the Natural Resources Committee met to consider the bill. The Subcommittee was discharged by unanimous consent. Representative Young offered an amendment designated Young #1. The amendment was agreed to by unanimous consent. The bill, as amended, was adopted and ordered favorably reported to the House of Representatives by unanimous consent.

HEARINGS

For the purposes of section 103(i) of H. Res. 6 of the 116th Congress—the following hearing was used to develop or consider H.R. 7119: hearing by the Subcommittee for Indigenous Peoples of the United States held on July 22, 2020.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources' oversight findings and recommendations are reflected in the body of this report.

COMPLIANCE WITH HOUSE RULE XIII AND CONGRESSIONAL BUDGET ACT

1. Cost of Legislation and the Congressional Budget Act. With respect to the requirements of clause 3(c)(2) and (3) of rule XIII of the Rules of the House of Representatives and sections 308(a) and 402 of the Congressional Budget Act of 1974, the Committee has received the following estimate for the bill from the Director of the Congressional Budget Office:

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, September 3, 2020.

Hon. RAÚL M. GRIJALVA,
Chairman, Committee on Natural Resources,
House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 7119, the Alaska Native Tribal Health Consortium Land Transfer Act of 2020.

¹ H.R. 521, 114th Cong. (2015); H.R. REP. NO. 114-217, pt. 1 (2015), <https://www.congress.gov/114-crt/hrpt217/CRPT-114hrpt217.pdf> (reporting the same out of Committee).

² Alaska Native Tribal Health Consortium Land Transfer Act, P.L. No. 113-68, 127 Stat. 1205 (2013), <https://uscode.house.gov/statviewer.htm?volume=127&page=1205> (not codified) (statutory compilation as of Sept. 11, 2019, at <https://www.govinfo.gov/content/pkg/COMPS-10703/pdf>).

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Robert Stewart.

Sincerely,

PHILLIP L. SWAGEL,
Director.

Enclosure.

H.R. 7119, Alaska Native Tribal Health Consortium Land Transfer Act of 2020 As ordered reported by the House Committee on Natural Resources on July 29, 2020			
By Fiscal Year, Millions of Dollars	2020	2020-2025	2020-2030
Direct Spending (Outlays)	0	0	0
Revenues	0	0	0
Increase or Decrease (-) in the Deficit	0	0	0
Spending Subject to Appropriation (Outlays)	0	*	*
Statutory pay-as-you-go procedures apply?	No	Mandate Effects	
Increases on-budget deficits in any of the four consecutive 10-year periods beginning in 2031?	No	Contains intergovernmental mandate?	No
		Contains private-sector mandate?	No

* = between zero and \$500,000.

H.R. 7119 would authorize the Secretary of Health and Human Services (HHS) to convey a parcel of land in Anchorage, Alaska, to the Alaska Native Tribal Health Consortium (ANTHC). The conveyance would be made by a warranty deed, which is a type of deed that guarantees a clear title to the new owner of the property.

The Indian Self-Determination and Education Act (ISDEAA) allows tribal entities to assume responsibility for providing health care services funded by the Indian Health Service (IHS). The ANTHC is a nonprofit health care and social services corporation that operates facilities under the ISDEAA in communities throughout Alaska. According to IHS, the ANTHC currently does not pay rent or any other remuneration to IHS for the use of the land to be transferred. Consequently, CBO estimates that enacting H.R. 7119 would not affect direct spending or revenues and would have a negligible effect on spending subject to appropriation for IHS staff to facilitate the land transfer.

The CBO staff contact for this estimate is Robert Stewart. The estimate was reviewed by Leo Lex, Deputy Director of Budget Analysis.

2. *General Performance Goals and Objectives.* As required by clause 3(c)(4) of rule XIII, the general performance goals and objectives of this bill are to convey land in Anchorage, Alaska, to the Alaska Native Tribal Health Consortium.

EARMARK STATEMENT

This bill does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined under clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives.

UNFUNDED MANDATES REFORM ACT STATEMENT

This bill contains no unfunded mandates.

EXISTING PROGRAMS

This bill does not establish or reauthorize a program of the federal government known to be duplicative of another program.

APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

PREEMPTION OF STATE, LOCAL, OR TRIBAL LAW

Any preemptive effect of this bill over state, local, or tribal law is intended to be consistent with the bill's purposes and text and the Supremacy Clause of Article VI of the U.S. Constitution.

CHANGES IN EXISTING LAW

If enacted, this bill would make no changes to existing law.
